To whom it may concern,

I am writing in regards that the n.y.s.e.r.d.a. program is soon coming to an end. we are asking you to really consider to award nyserda the SBC3 funds. we would like to see this program continue on for **at least** another five to seven years.

For the last four years our company has enjoyed being part of your **specials** promotions, advertising and programs such as: the stay cool program. I **believe** the people, consumers should be educated and provided the knowledge of **the** products that are available that can save **all** of them money.

Sincerely,
