RE: Case 07-M-0548 - Proceeding on Motion of the Commission Regarding an Energy Efficiency Portfolio Standard

By letter dated July 30, 2007, Department of Public Service Staff (Staff) requests a four-week extension of time to issue its draft initial program design proposal in this proceeding, which had been due today. Staff, who alerted active parties that it would seek such an extension, requests it because of the volume and complexity of the material it is reviewing. Staff seeks an extension of the time to issue its draft proposal until August 28, 2007.

Parties wishing to comment on the Staff request may do so electronically by no later than Friday, August 3, 2007. I will establish a new schedule shortly after that date.
