

## BRIAN HENDERSON

NAME: Brian Henderson  
TITLE: Director, Energy Efficiency Services  
CONTACT: New York State Energy Research and Development Authority (NYSERDA)  
17 Columbia Circle  
Albany, NY 12203-6399  
PHONE: 518-862-1090 ext 3305  
EMAIL: [bmh@nyserda.org](mailto:bmh@nyserda.org)

Mr. Henderson is currently the Director for Energy Efficiency Services at the New York State Energy Research and Development Authority (NYSERDA). He has over 32 years of experience in the energy efficiency field for both public and private sector organizations as a senior manager, department head, project manager, and engineer. Mr. Henderson directs a portfolio of technical and financial assistance programs and services, helping thousands of businesses, government facilities and institutions across the State. He also leads the State's implementation of the Governor's Executive Order 111 "Green and Clean State Buildings and Vehicles", the Coordinated Electricity Demand Response Initiative, and the Conservation Coordination Task Force. In addition, Mr. Henderson serves on various committees and boards of a number of energy related local, regional and national organizations, including Chair of the National Association of State Energy Officials (NASEO) Buildings Committee, and Chair of the Federal Energy Management Advisory Committee appointed by the Secretary of the U.S. Department of Energy. Mr. Henderson has a masters degree in Mechanical Engineering and a bachelors degree in Physics.
