**STATE OF NEW YORK  
PUBLIC SERVICE COMMISSION**

**Case 07-M-0548 – Proceeding on Motion of the Commission Regarding an  
Energy Efficiency Portfolio Standard**

**COMMENTS OF STRATEGIC ENERGY, L.L.C. REGARDING STAFF'S  
QUESTIONS AND ADDITIONAL QUESTIONS FROM JUDGE STEIN**

Strategic Energy, L.L.C. ("Strategic Energy") appreciates the opportunity to participate in the goal of achieving a more energy efficient environment in the State of New York. Moreover, Strategic Energy believes that the ESCO industry operating in the State is effectively positioned to significantly contribute to the Commission's goal of reducing electric usage by 15% of projected levels by 2015.

Strategic Energy has intervened in this proceeding, both individually and as a member of Retail Energy Supply Association ("RESA"). On Tuesday July 10, 2007, RESA filed detailed comments to Staff's Questions and the additional questions posed in a letter dated June 22, 2007, from Hon. Eleanor Stein, Administrative Law Judge. Strategic Energy hereby incorporates those comments herein by reference, and expresses full support for such comments.

Respectfully submitted,

**Strategic Energy, L.L.C.**
